(3) "Board" means the board of athletic trainers.

SECTION 2. Tennessee Code Annotated, Section 63-24-102, is

Vacancies on the board created by the expiration of a term of office or for any other reason shall be filled by the governor in the same manner as the original appointment.

Appointed members shall serve until their replacement has been appointed and has agreed to serve. In making appointments to the board, the governor shall strive to ensure that at least one (1) person serving on the board is a member of a racial minority.

(f) The board shall receive its administrative, legal and investigative support from the division of health related boards.

SECTION 3. Tennessee Code Annotated, Title 63, Chapter 24, is amended by adding the following new language as a new section:

(1) Promulgate in accordance with the Uniform Administrative Procedures Act, compiled in Title 4, Chapter 5, all rules that are reasonably necessary for the performance of its duties;

(2) License athletic trainers in compliance with the provisions of this chapter;

(3) Prescribe application forms for licensure and conduct or select a licensure examination and to establish the prerequisites, if any, for admission to the examination. The board is authorized to enter into a contract or agreement with an examination service

and/or select an intermediary between the board and the examination service to process applicants for the examination;

(4) Establish such fees in addition to those enumerated in Section 63-24-106 that are necessary for the operation of the board in accordance with Section 4-3-1011;

(5) Establish guidelines and standards for athletic trainers in the state that are not inconsistent with the other provisions of this chapter, and the grounds upon which, in addition to those causes enumerated in Section 63-24-107, disciplinary action may be taken; and

(6) Establish all requirements for mandatory continuing education as a condition of continued licensure including a mechanism for waiver of the requirements in cases of undue hardship.

(7) Issue advisory private letter rulings to any affected "licensed practitioner" or license holder who makes such a request regarding any matters within the board's primary jurisdiction. Such private letter ruling shall only affect the person making such inquiry, and shall have no precedential value for any other inquiry or future contested case that might come before the board. Any dispute regarding a private letter ruling may, if the board chooses to do so, be resolved pursuant to the declaratory order provisions of § 4-5-223.

(b) The board shall pay all money received by it into the state treasury and the Commissioner of Finance and Administration shall make such allotments out of the general fund as the commissioner may deem proper for the necessary and proper expenses of the board, and no expenditure shall be made by the board unless and until such allotment has been made by the commissioner. Such allotment shall be disbursed under the general budgetary laws of the State of Tennessee.

SECTION 4. Tennessee Code Annotated, Section 63-24-107, is amended by deleting the section in its entirety and by substituting instead the following:

(a) The board has the power and duty to:

(1) Deny, restrict or condition a license to any applicant who applies for the same through reciprocity or otherwise;

(2) Permanently or temporarily withhold issuance of a license;

(3) Suspend, limit or restrict a previously issued license for such time and in such manner as the board may determine;

(4) Reprimand, suspend, revoke or take such other disciplinary action in relation to an applicant or license holder as the board in its discretion may deem proper; or

(5) Permanently revoke a license.

(b) The grounds upon which the board shall exercise such power include, but are not limited to, circumstances wherein the person has:

(1) Violated standards of practice as determined by the board;

(2) Practiced athletic training for compensation without holding an active license under this chapter;

(3) Used or attempted to use an athletic trainer license that has been suspended or revoked;

(4) Obtained or attempted to obtain an athletic trainer license by misleading statements, fraud or deceit or knowing misrepresentation;

SECTION 5. Tennessee Code Annotated, Section 63-24-108, is amended by deleting the last sentence of subsection (a) in its entirety and by substituting instead the language "Disciplinary proceedings shall be conducted in accordance with the contested case provisions of the Uniform Administrative Procedures Act compiled in Title 4, Chapter 5."

AND IS FURTHER AMENDED by adding the following as a new subsection (c):

(c) (1) Any person who practices in this state without having first complied with the provisions of this chapter commits a class B misdemeanor for each instance of such practice. Each day any person practices without first obtaining a valid license or renewing a license constitutes a separate offense.

(2) The board, in addition to the powers and duties expressed in this chapter with respect to the grant, denial and discipline of licensure is empowered to petition any circuit or chancery court having jurisdiction of any person within this state, who is practicing without a license or to whom a license has been denied, or whose license has been suspended or revoked by action of the board, to enjoin such person from continuing practice within this state. Jurisdiction is conferred upon the circuit and

chancery courts of this state to hear and determine all such causes as equity causes and exercise full and complete jurisdiction in such injunctive proceedings, but nothing in this section shall be construed as conferring criminal jurisdiction upon any court not now possessing such criminal jurisdiction, nor shall any such court, as an incident to the injunctive proceedings herein authorized, have the power to assess the criminal penalties.

SECTION 6. Tennessee Code Annotated, Section 63-24-110, is amended by adding the following as new, appropriately designated subsections:

() The board shall have the authority to assess civil penalties commensurate with those assessable under Section 63-1-134 against persons who have knowingly employed, contracted for or otherwise utilized unlicensed persons in the practice of athletic training with or without compensation.

() Nothing in this chapter shall be construed as applying to physicians duly licensed under this chapter who employ or contract for services provided by persons in the physician's office assisting in the care of patients and rendered under the supervision, control and responsibility of the licensed physician.

SECTION 7. The rules currently governing the practice of athletic trainers to the extent they are consistent with this act shall remain in effect until such time as the board may promulgate their replacements. The duties of the board of medical examiners that are contained in the currently existing rules shall be assumed by the board of athletic trainers created by this act.

SECTION 8. This act shall take effect July 1, 2006 for the purposes of appointing board members and for all other purposes shall become effective on October 1, 2006, the public welfare requiring it.
